

2018 ACPC Reading Buddies Sponsorship Opportunity

What is ACPC Reading Buddies?

Raising Readers in Story County (RRSC) created this program to provide additional reading experiences to four year olds who attend Ames Community Preschool Center. Volunteers are recruited and trained to use the shared reading technique called dialogic reading as well as literacy and writing activities that aid in the preschooler's letter comprehension. Volunteers are matched with children and they meet twice a week on Tuesday and Thursday mornings.

The children and volunteers experience a great bond and look forward to seeing each other each session. Many of the children in the program do not have grandparents near by and this program has created a grandparent relationship for both the volunteer and the children.

ACPC Reading Buddies Sponsorship

By sponsoring this program with a gift of \$3000, [BUSINESS/ORGANIZATION/FAMILY] will be providing program support for the ACPC Reading Buddies program, updating books and matching manipulatives, program materials, and providing new quality children's books for each child in the program

A label is placed on the back of each book with the sponsor's name or business logo and the sponsors are listed on the Raising Readers in Story County website's ACPC Reading Buddies program page and donor page, annual report and through press associated with the ACPC Reading Buddies

program.

For sponsorship information and other opportunities, please contact Kim Hanna, Executive Director at director@raising-readers.org or 515-520-8686.
